

Tells of Remolding Faces by Surgery

"I knew he was a crook because he looked like one." That this oft-heard remark is a great factor in driving men to a life of crime is the contention of criminologists, psychologists and doctors skilled in the science of plastic surgery.

"There is no denying the doctrine of the intimate relationship between the physical being and the mental or nervous being," says Dr. R. H. Pyles, an eminent plastic surgeon. "When we eliminate through the medium of plastic surgery certain facial defects or blemishes of a patient we affect his thoughts and desires to a certain extent."

"There is no question but what in many instances men with criminal appearances in facial expression find themselves following a path of crime largely because their fellow beings sort of expected that was what they would do."

"I believe that the time is not so far distant when hundreds of criminals annually will be reclaimed by implanting new hopes, new desires through altering facial defects or blemishes through the medium of plastic surgery. The features of people are being rebuilt for personal reasons and I see no reason why we cannot apply our new discoveries to certain types of criminals with gratifying results."

How Bud Doyle was so reclaimed after a motion picture plastic surgery transformation forms the background of "Skin Deep." The battle-scarred face that had stamped him a crook was obliterated and a face given him that the craftiest denizens of the half-world could not recognize. With this change came the big psychological change under the skin.

The picture, "Skin Deep," will be shown at the Torrance Theater, December 28-29, under the auspices of The Torrance American Legion post.

SUBJECT TO INCOME TAX

Uniforms of nurses, trainmen, barbers, surgeons, and baseball players are held to take the place of ordinary clothing, and therefore are personal expenses and not deductible from income tax returns.

NOT ALLOWABLE TO DEDUCT

A ruling holds that a contribution to a cemetery corporation is not an allowable deduction. A corporation organized to foster an appreciation of good music is within the meaning of the exemption clause "educational purposes."

ASK FOR CHRISTMAS PEACE

Let All Pray to God for Perfect Rest and Perfect Power and Perfect Love.

CHRISTMAS peace is God's and he must give it himself, with his own hand, or we shall never get it. Go then to God himself. Thou art his child, as Christmas Day declares: Be not afraid to go unto the Father. Pray to Him; tell Him what thou wantest; say, "Father, I am not moderate, reasonable, forbearing. I fear I cannot keep Christmas aright for I have not a peaceful Christmas spirit in me; and I know that I shall never get it by thinking, and reading, and understanding, for it passes all that, and lies far away beyond it, does peace, in the very essence of thine undivided, unmoved, absolute, eternal Godhead, which no change nor decay of this created world, nor sin or folly of men or devils, can ever alter; but which abideth forever what it is in perfect rest, and perfect power and perfect love. O, Father, give me Thy Christmas peace."—From Town and Country Sermons.

GOOD SCHEME.

Doing your Christmas shopping early, ain't you Jones?

Well, you see I want to get my wife's Christmas present before my creditors get around to buying their wife's presents.

For some strange and unexplained reason, people are not willing to put their money into the railroads unless there is some little hope of getting dividends.

ITCHING ECZEMA DRIED RIGHT UP BY THIS SULPHUR

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, says a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth. It seldom fails to relieve the torment and disfigurement. Sufferers from skin trouble should get a little jar of Rowles Mentho-Sulphur from any good drug-gist and use it like a cold cream.

CHIROPRACTIC

Is the most wonderful of all the natural methods of healing. The Chiropractor, by a simple adjustment of the small segments of the spinal column, with his hands alone, removes the pressure, or irritation, on the nerves as they leave the spinal cord, and in this way removes the CAUSE of Disease—then Nature CURES.

Over forty million people—almost one-half the entire population of the United States—depend upon NATURAL METHODS, as opposed to Drug Giving Methods, for Health. A very large percentage of this number rely exclusively upon Chiropractic.

Chiropractic will stand the most critical examination, but most people are interested in RESULTS rather than THEORIES. Come in and ask about your own case.
